BETWEEN
THE CITY OF GRAND TERRACE
AND
USA WASTE OF CALIFORNIA, INC.
FOR THE PROVISION OF
INTEGRATED WASTE MANAGEMENT SERVICES**

RECITALS

- A. WHEREAS, the City and the Contractor entered into a Franchise Agreement for the Integrated Waste Management Services dated March 12, 1998 ("Franchise Agreement"), a copy of which is attached hereto as Exhibit "1"; and
- B. WHEREAS, the City and the Contractor have mutually agreed to modify the terms and conditions of the Franchise Agreement as set forth below in order to improve service levels, comply with comprehensive service, adjust residential rate categories and standardize commercial rates:

NOW, THEREFORE, the parties agree to amend the Agreement as follows:

Section 2. DEFINITIONS.

Two definitions are revised as follows:

- Q. **Multi-Family Premises** – means residential units such as apartments, condominiums and townhouses, other than Single Family dwellings, having four or more units, which utilize Multi-Family Bins, as defined in this Agreement, and not cans or carts, for the temporary accumulation and collection of Residential Solid Waste. "Multi-Family Units" are covered by this Agreement.
- X. **Residential Premises or Single Family Dwelling or Single Family Unit** – Generally means a detached building, or each unit of multi-family dwelling, with kitchen facilities, which utilizes one or more carts or cans, but not Multi-family Bin, for the temporary accumulation and collection of Residential Solid Waste.

For purposes of this definition, mobile home complexes may elect to receive either Multi-family Bin collection Services or Single Family Premises Collection Services by mutual consent of the Contractor and the Customer.

Section 5. SERVICES PROVIDED BY CONTRACTOR

C. Additional Services

The following subsection of Section 5 C. is changed to include 3-cubic yard containers:

(8) Containers for Use of City Public Works Department. Upon request Contractor agrees to provide 3 cubic yard or 30 cubic yard containers to the City for use in public land cleanups and local maintenance at not additional cost to the City as agreed. These Containers will be serviced on an as-needed basis, and care will be exercised to minimize disposal costs and maximize recycling. To that end, separate container(s) will be dedicated to the collection of green waste, and every effort will be made to divert this material from disposal.

The following four sections are added to Section 5 C. Additional Services:

- (11) Special Event Provisions. Contractor agrees to provide the following services up to four (4) times per calendar year:
 - Up to ten (10) portable restroom stations
 - Portable hand wash station
 - Cardboard trash receptacles
 - Roll-off container for waste consolidation
- (12) Commercial Recycling Notification Program. Contractor agrees to annually notify all business customers within the City of Grand Terrace, of opportunities relating to recycling and diversion practices available. Initially this will be a mailer, but may be modified by mutual agreement between the City and the Contractor.
- (13) Composter Subsidy Program. Contractor agrees to provide residential premises requesting backyard composter units at a reduced rate. Said Contractor subsidy shall be up to \$20.00 per unit, but not more than half of the unit cost. The balance of the cost shall be billed to the residential customer via the regular billing. This program shall be subsidized to an annual maximum of \$500.00 per year by the Contractor.
- (14) Contractor agrees to collect electronic waste, including devises containing cathode ray tubes (CRT's), even if there becomes an increased or special cost to dispose in the future. Any increased cost of disposal or cost to recycle these devises shall be reimbursed to the Contractor at the time of the annual review and adjustment

of the "landfill Charge" of the Residential Rate as outlined on the attached Exhibit "D" (July 1st, annually).

Section 8. FRANCHISE TERM.

The following shall replace the existing 10-year FRANCHISE TERM language:

Should either party wish to terminate the "automatic renewal", such party shall give the other party written notice to that effect at least thirty (30) days prior to April 1st, of any year. Such notice shall terminate the "automatic renewal" provisions and the Agreement shall remain in effect only for the six- (6) year balance term.

Section 19. COMPENSATION.

Subsection "E" is replaced as follows:

E. Escalation of Rates (Commercial): The attached Exhibit "F" is the approved Rate Band for all commercial services. These rates will remain until the July 1, 2002 annual adjustment. The "High" end of this Band shall be established as the "Standardized Rate" for such level of service. All commercial customers currently being charged the high end of this Rate Band shall not be subject to any rate adjustment due to the annual change in the Consumer Price Index (CPI) for three years (from July 1, 2002 to June 30, 2005). This Standardized Rate shall not be adjusted by either party, for this time period. All rates will continue to be adjusted for changes in the landfill component of the rate as well as "Extraordinary Adjustments in Rates" as defined in Exhibit "D", Section 5 of the Agreement.

Any new commercial customer or any existing commercial customer requesting new service or a change in service level shall be billed the Standardized Rate.

Existing commercial customers currently not being charged the "Standardized Rate", or a customer not attaining the Standardized Rate by July 1, 2005, shall for the period of time up to July 1, 2005, have the monthly rates adjusted annually as outlined in the Franchise Agreement Exhibit "D" 4. "Annual Adjustments of Rates", plus the following:

In addition to the annual adjustment in the Consumer Price Index (CPI), the Contractor's Pick up fee portion of the commercial rate shall be adjusted an

additional 3% (CPI plus 3%) for a three (3) year period up to July 1, 2005. Any existing commercial customer rate that attains the level of the "Standardized Rate" for the level of service during this three year period, shall not be adjusted beyond this rate until July 1, 2005. Any commercial customer not yet at the Standardized Rate on June 30, 2005, will on July 1, 2005 be adjusted to the full amount of the Standardized Rate. The annual rate adjustment based on the change in the Consumer Price Index as outlined in Exhibit "D" (revised herein) of the Franchise Agreement shall equally effect the entire customer base on July 1, 2005. Any commercial customer not at the Standardized Rate as of July 1, 2002, shall at that time, receive a rate adjustment which includes the CPI for July 1, 2001, the CPI for July 1, 2002, and the 3% adjustment, unless the Standardized Rate has been achieved.

The attached Exhibit "F" "low end" of the rate band, shall be revised when the March 2002 CPI data is available, and will include the CPI adjustment for July 1, 2001, the CPI adjustment for July 1, 2002, and a 3% adjustment factor. Said Revised Exhibit "F" shall be submitted to the City Manager for review prior to implementation.

Said commercial rate adjustments shall be reviewed and approved annually by the City Manager or his/her designated representative.

SECTION 19. L.

The following shall be added as subsection "L" of this Section of the Agreement:

Contractor agrees to freeze the existing Single Family Residential Rates and associated ancillary fees from any adjustment relating to the annual Consumer Price Index (CPI), until July 1, 2003. In addition, all other rates listed within Exhibits "D" and "E" (except those noted above in Subsection "E", associated with the commercial rate escalation) shall not be adjusted until the July 1, 2003 date and shall then only be adjusted based upon the twelve-month period of CPI review.

SECTION 21. PUBLIC ACCESS TO CONTRACTOR

The following shall be added as subsection "C" of this Section of the Agreement"

- C. Contractor shall provide a local office for response to all customer inquiries. "Local" shall be defined as an office within Western San Bernardino or Western Riverside Counties of the State of California.
