Grand Terrace, CA

Letter from the City Manager

The 2020 Activities Guide (TAG) is a clear path for residents of Grand Terrace to participate in various activities, right here in their community. Incorporated in 1978, Grand Terrace prides itself as a small town with a great quality of life for its residents. While the City of Grand Terrace provides infrastructure (parks, community room and library) to ensure residents have opportunities and access to first class facilities, often our programs are conducted by various groups within the community. The TAG programs within this brochure are a product of that partnership.

TAG features special and recurring recreational and educational events for youth, adults and seniors (free and for a fee). These events are opportunities for the community to gather and celebrate Grand Terrace's exceptional quality of life.

TAG also features ways residents' can stay in touch with the City. Grand Terrace's radio station, television channel, Youtube Channel, Facebook Page, Web Page and Twitter accounts are all listed in TAG. Residents can also find important phone numbers to report issues and have their questions answered.

TAG removes a comment that is often heard by community members, "There is nothing to do in Grand Terrace." TAG allows all ages within the community to seek out ways to stay active and involved in Grand Terrace. TAG is a great way to kickoff a new decade. Enjoy! Go out and have fun!

Sincerely,

G.Harold Duffey

If you have a new idea or program for the community, we encourage you to apply for a Community Benefits Grant:
