

CITY OF GRAND TERRACE Living Word Church

(Issue Date 03-18-2020)

Through a coordinated effort with the City of Grand Terrace, Living Word Inland Empire opened its food bank to assist seniors living in the Blue Mountain Villas in the City of Grand Terrace. Seniors were notified on 3/17/2020 that Living Word Inland Empire would distribute bags of groceries in the Villas lobby at 1:00 p.m. For those seniors with mobility issues, members of the Living Word Inland Empire congregation delivered grocery bags to individual apartment units.
