LETTER FROM THE CITY MANAGER

The 2017 Activities Guide is a testament of the spirit that lives within the incorporated boundaries of the City of Grand Terrace. The guide is funded by a City Council Community Benefits Fund Grant. The Grant was awarded to allow residents and businesses to promote community events in Grand Terrace. Yet, the grant is worthless without volunteers; small business owners; and neighbors contributing countless hours to enhance and increase the Quality of Life within the City.

The 2017 Activities Guide was developed to allow residents, regardless of their age to participate in local activities within the City. There are a number of free and paid activities happening on a daily, weekly and seasonal basis. The activities allow residents to maintain a sense of community and to stay connected as they weave in and out of the

neighboring metropolises of Riverside and San Bernardino. The 2017 Activities Guide is also a testament on the 10th anniversary of the City of Grand Terrace being ranked one of Money Magazine's Top 100 Small Cities (2007). On behalf of the Mayor, City Council and City Staff, I encourage you to participate in any of the wonderful activities listed throughout this guide. Let's make 2017 another quality year for the City of Grand Terrace.

G. Harold Duffey, City Manager
